

## The Magic Of Tarot Lesson 22

### **Tarot Key 21: The World**

*This image portrays and conveys the fulfillment of the human purpose and potential, ie spiritual mastery, cosmic consciousness.*

#### **In Key 20**

- we entered the 4<sup>th</sup> dimension to work on the inner causes of outer events

#### **In Key 21**

- we enter the 5<sup>th</sup> dimension:
  - realizing that all you experience is the state of your own consciousness
  - identification of self with the whole universe, also called Cosmic Consciousness.
    - Here you realize that the universe is actually doing everything, and you can cooperate with it to make like feel like a beautiful dance in heaven on earth.
  - Experiencing oneness rather than separateness (see keys 16 and 18) with all

#### **Title: The World**

- The world, or universe, itself is a master working out its perfection
- The world you live in is your state of consciousness!!!
- The outer world is a reflection of your state of consciousness
- Mastery of consciousness makes the inner world an experience of victory:
  - ie, freedom from emotional suffering, freedom from images of defeat and victimization, freedom from mental stories of loss and lack, etc.

#### **Wreathe**

- To the master of consciousness, the world is a victory wreath  
le: the kingdom of heaven on earth
- Green leaves: a product of The Empress, right use of the creative imagination
- 3 leaves overlaid: conscious, subconscious and super or spiritual consciousness
- The red ties: symbols of infinity
  - Red: indicates that this level of consciousness represents victorious ACTIVITY

#### **The 2 Spirals:**

- Right Hand: Mastery over radiance
  - We create conditions consistent with what we radiate
    - Thoughts
    - Feelings
    - Speech
    - Actions
    - Intentions
    - le: State or contents of consciousness
- Left Hand: Mastery over receptivity
  - You receive only what you are willing to accept
  - Feelings of worthiness matter

## The Magic Of Tarot Lesson 22

### **Tarot Key 21: The World**

- Appreciation and gratitude matter
- Being receptive to higher inner guidance matters
- Being aware in the now to receive what is happening NOW

### **White Light around Spirals:**

- Divine Will (Kether) is the guide for radiance and receptivity

### **Purple Letter Kaph around Androgyne**

- Kaph = The grasping hand
  - indicating a complete grasp of the laws of the intelligence running the universe and how to work with with it
- Purple: the color of royalty.

### **Dancing Androgyne**

- Androgyne: perfectly balanced and integrated male (radiant) and female (receptive) energies
- Dancing: When you awaken to this level life is like a dance to the rhythm of the universe, you are flowing with the energy, joyfully supported by the universe.
- Number 4 shape of legs: surrender (see Key 12)
  - Also, easy rulership or authority over the material plane (see key 4)
- Flesh colored: we are dealing with the ultimate state of living human beings

### **Red bandana in yellow hair:**

- Right use of mind (yellow) leads to right action (red)

### **Hebrew Letter: Tav**

- Represents completion and mastery
- Literal meaning: signature or mark
  - When we sign a contract, we make it complete and binding
    - This image represents the state of consciousness that fulfills the soul's original contract with life
- The "mark" you leave in the world is an example, demonstration and influence of the path to higher consciousness, understanding what it's all about, and how to master life-experience in the world.

### **Administrative Intelligence**

- The intelligence that directs or rules
  - In this image: directs energy, activities and consciousness with mastery in alignment with the administrative intelligence running the whole universe

### **Astrological association: Saturn**

- Saturn represents limitation, restraint and lessons learned from difficulty
- Represents the essential need for discipline in attaining the total liberation of mastery  
Able to curtail, control and let go of the automatic forces that would otherwise rule

## The Magic Of Tarot Lesson 22

### **Tarot Key 21: The World**

#### **Four Figures in the corners:**

- Man = Yod, Air, To Know
- Eagle = Heh, Water, To Will
- Lion = Vuv, Fire, To Dare
- Bull = Heh, Earth, To Do (and to be silent)

#### **Compare the direction of the bull in Key 10**

- In Key 10 we are dealing with disintegrating process: physical form facing the fire (lion)
- In Key 21 the bull is facing outward, as this is the key of mastery of manifestation, mastery of the world (being in the world, but not of it and directing events with the administrative intelligence)

#### **Blue background:**

- This is the ultimate product of the human direction of the substance of mind pouring from the lap of the High Priestess
