

Mastering Manifestation: Kabbalah Keys To Tarot Magic Lesson 10

Reading from the Zohar:

“On New Year’s day, seventy thrones are set in place for the judgment of the world...”

This is a time for deep, honest self-awareness to make the best choices, which comes down to surrender to Divine Will.

The New Year – Rosh Hashanah

- Celebrates the creation of the world
- And reminds us of our power to create the world from here.
- Surrendering to Divine Will above all else.

Sphere 10: Malkuth, meaning Kingdom or Kingship

- Represents the material plane in which the soul incarnates to develop rulership through the 10 Creative Powers on the Tree.
- As we raise ourselves we raise our influence and create a more beautiful world.
- Notice the asymmetrical position of Sphere 10
 - It represents the fact that God leaves the universe unfinished, to give human beings the chance to create it as a reflection of our highest vision of possibilities.

Our first task in demonstrating Kingship in Malkuth, in the world, is to establish ourselves on a stable Foundation (Sphere 9) of consciously creating – living in the ten higher Spheres:

1. Connecting with your True Intention
2. Responding intuitively, intelligently, based on past lessons
3. Taking our time to clearly understand what is going on and what we are about to do
4. Being gentle, lenient, easy enough on ourselves and others for a joyful life
5. Setting necessary boundaries, applying necessary discipline
6. Living in balance and harmony, guided by love and beauty
7. Focused on moving forward in the direction of Victory / aligned feelings.
8. Living in integrity / aligned thinking
9. Stabilizing
10. Manifesting

The Manifestation Process is an organic process that we have the power to direct.

- Sphere 9 represents the 9 months of gestation before birth; our manifestations take place in a natural order way, step-by-step, without strain.
- The universe is like a fertile seed-bed that receives the seed of your intention; if you care for the “seed” and nurture it with attention, time and energy it naturally manifests into the fruit of the fulfillment of your heart’s desire.

Establishing Stability For Earth Plane Mastery

- Whatever and whoever you react to is in control of you
- Established in peace and poise you can follow higher intuition as your guide

Mastering Manifestation: Kabbalah Keys To Tarot Magic Lesson 10

- Daily living gives you the opportunity to recognize the higher levels of manifestation mastery you want to attain

The Astrological Association: The 4 Elements: Earth, Air, Water, Fire

- We are here in Malkuth to sanctify the world, not to defile it.
- Fulfilling our purpose here begins by recognizing how we defile ourselves through a misuse of our creative powers of: Thought (air), Feeling (water), Intention (fire), and action (earth).

Malkuth represents the final Heh

- in Yod, Heh, Vuv, Heh:
 - Yod: feel the essence
 - 1st Heh: see the vision
 - Vuv: Trust its transmission to the earth-plane
 - 2nd Heh: the vision manifested in physical form

Our LIGHT task in Malkuth

- is to be a receiving station for Divine Light (the Shekinah),
- then a transmitting station of that light.
 - We do this by living in “the Light of the Countenance”.

The Hebrew Letter associated with Malkuth

- is Yod, which is the numeral 10 in Hebrew
- This demonstrates our purpose is to manifest the essence of Divine Will on earth.
- Yod means: open hand, representing the RECEPTIVE nature of Malkuth
 - Here we are meant to receive the higher light of the Divine, including Divine Guidance
 - In this world we are given the option of surrendering to the higher part of ourselves.

The Tarot Image associated with this Sphere

- is Key 10, Wheel Of Fortune
 - It demonstrates the up-and-down alternation process of the world
 - The Sphinx represents non-attachment / non-reactivity to the ups and downs
 - This detachment makes way for the power to direct the wheel through magic:
 - Man’s face: to know
 - Eagle: to will

Mastering Manifestation: Kabbalah Keys To Tarot Magic Lesson 10

- Lion: to dare
- Bull: to be silent

Malkuth, Gevurah and Kether

- Malkuth has a special relationship with these other two Spheres
- In Kether it is said that God restricts a part of His/Her Infinite Being to allow a more limited form of the Divine to take shape in the 10 Spheres
- It is said that in Malkuth God restricts (Gevurah) Himself/Herself to permit human beings to carry out their will – to willingly submit to Divine Will (Kether) to create the world.

Malkuth represents the mundane world of practical life

- Our purpose is to integrate it into spiritual life
 - Every day at work is really the work on your spiritual mastery / development
- bring in the light of the sacred into each action.
- Bring conscious awareness to your physical actions
- Bring conscious awareness to your inner feelings
- Bring conscious awareness to your thoughts
- Consciously surrender to Kether within
 - Bring stability into this practice (Yesod)

The Manifestation Process

- The physical manifestation of forms
 - begins in Binah, where we begin the process of internal conceiving
 - proceeds in Chesed, where material creation begins
 - forms into mental images (Glory) with feeling (Victory)
 - which are transmitted through the Foundation (the psychic plane)
 - Into physical manifestation in The Kingdom.

As we progress in our inner development

- All hidden patterns lodged in the subconscious (Sphere 9) are exposed, including in dreams.
- This process goes on after the death of the physical body, when all attachments are exposed and denied.
- When we go through this process during our life,
 - we ascend quickly and easily after the incarnation,
 - and ascend into higher realms while living,
 - producing higher and higher levels of heaven on earth and bringing higher influences to the planet.

Mastering Manifestation: Kabbalah Keys To Tarot Magic Lesson 10

We can define Mastery in Malkuth as living a beautiful life, in a beautiful state.

Confrontation with evil:

- The purpose of our confrontation with evil is to rectify our reactions and make the best possible use of our creative power in the face of it.
- To deny it the power of God.

Our S.T.E.M. Universe

- Mastery in the earth-plane means
- Mastering Space: Live in harmonious spaces, create harmonious spaces on the energy and material levels.
- Mastering Time: Eliminate rush, don't over-commit, create a whole, balanced life.
- Mastering Energy: Use your creative powers of thought, feeling, speech and action wisely – don't push past fatigue
- Mastering Matter: handle material objects with care
 - The term "mastery" here means, "right use of"

The F.A.T.E. of your world

Your fate on earth is determined by the

- Focus of your
- Attention,
- Time and
- Energy

Manifesting Fast

Align your

- Feelings,
- Actions,
- Speech and
- Thoughts with what you intend to manifest.

The Law Of Progressive Approximation:

- Move the manifestation process forward by degrees
 - You can break any process down into steps
 - You can break any step down into smaller steps
 - Follow the way that is simple, easy and fun.

Apply rhythmic alternation

- To keep your energy and consciousness high
 - Function at right pace

Mastering Manifestation: Kabbalah Keys To Tarot Magic Lesson 10

- Take breaks as needed
- Balance work / rest / play
- Social and solitude
- Speech and silence
- Physical, mental, emotional, spiritual
- From the cave of the heart to the marketplace and back

Mastery of Action in the physical realm:

- Integrate Will-Wisdom-Activity

The Type Of Intelligence:

- Resplendent: because it is here that we get to see the results of our actions from this and past lives.

Archangel:

- Ariel: Lion Of God
 - As the lion is king of the jungle, Ariel inspires lionheartedness in human beings (see Lion in Key 10: Daring)
- Sandolphon: literally means: One Who Wears Sandals
 - Represents the fact that this Archangel treads upon the earth, involved in earthly matters.

Angels

- The Ashim: Souls Of Fire
 - Relates Malkuth to Geburah as it is here that we get to see the fruits of our actions, the “burning” of which leads us into course correction.

Malkuth is the Kingdom of Life and Death

- It is here that we meet up with mortality,
 - which teaches us to prepare for the eternal splendor.
 - If you know you are leaving everything, release attachments to rise to a higher level.

The Most Mundane Level of Malkuth has to do with Money Mastery

IE: Taking The Power Out Of Money

- Money is a SYMBOL of power, but like any symbol, it can prove to be meaningless and powerless.
- Money is paper, coins and numerals on a screen.
- Money doesn't DO anything; you can do something WITH it, SOMETIMES, but it does nothing on its own.

Mastering Manifestation: Kabbalah Keys To Tarot Magic Lesson 10

- Money does not grow. Plant a coin in the soil. Nothing happens but its gradual decay. Money, like everything else on the physical level, is in a constant process of decay.
- Mastering money really means mastering its source – what brings money to you. But the money itself has no value. It is your power to manifest what you want that has real value.
- Instead of going after money, develop or release your POWER to be successful, happy and free to live the way you want to live.
- Align your POWER with what you want to manifest and all the money you need for that to happen will show up in the soonest and most efficient way.
- As you master the power you have available, more power is given.
 - Achieve and maintain inner stability (9)
 - Of aligned thought and feeling (7,8)
 - Living in balance and harmony and guided by beauty (6)
 - Balancing Mercy (leniency 4) with Justice (sternness 5)
 - Connect to your deeper intuitive insight
 - Follow your intuition in action
 - Surrender to higher will
- As you marshal your power in line with the Tree of Life you manifest the Kingdom of Heaven on earth at higher and higher levels and whatever role money needs to play in that process will happen.

Path 9 – 10

- Subconscious process of material manifestation: the time of ripeness

Path 8 – 10:

- Practice integrity in daily living
- Honor the needs of the physical body
- Respect / appreciate physical conditions

Path 7 – 10:

Align feelings, emotions, moods, attitudes, desires with the intended manifestation
Be confident in the material world working out for you.

The Ultimate Goal:

- Giving birth to the Christ (Divine) Self (Tiphareth) in the world (Malkuth).
